The Screwtape Letters was a most enjoyable read, but still a book with substance. It is a book that everyone ought to read at some point, so therefore you may as well read it now, out of free will before you go to college and they force you to!

This epistolary style book is about a series of letters from a senior demon, Screwtape, to his nephew, a junior tempter named Wormwood. Despite the seemingly dark subject matter, the book is more sarcastic/epigrammatic than frightening.

THE SCREWTAPE LETTERS

“The best way to drive out the devil, if he will not yield to texts of Scripture, is to jeer and flout him, for he cannot bear scorn”

Martin Luther
